Black Ball Report

NOW IN HANDS OF MINISTER

Long-awaited report of the survey by the Black Ball Ferry Co. on traffic through the Gulf Islands is in the hands of Hon. P. A. Gagliardi, B.C. minister of public works. The minister is now in the process of studying its contents and has not yet commented on the report.

The Review is informed that the report is a voluminous one and that it will require considerable study.

Hon. Mr. Gagliardi has stated emphatically that he will not be prepared to make a decision on a subsidy for a Gulf Islands ferry service to the Saanich Peninsula until he has digested the Black Ball report thoroughly.

Mail Petition

A petition addressed to the Postmaster-General at Ottawa is being circulated throughout Galiano Island, in an effort to bring to the official attention the request of the residents of Galiano that their mail be shipped by Coast Ferries direct from the mainland instead of being trans-shipped by Ganges. On Tuesday the canvasser stated that every person approached has willingly signed. All are bona fide users of the mails.

Entire Island Mourns Passing of "Joe" Akerman

Joseph Jonathan Akerman, one of Salt Spring's native sons and the first white child to be born on the island, died on March 9 in Dr. Francis' Nursing Home, Ganges.

Mr. Akerman was born in 1868 in the Burgoyne Bay Valley, where his parents had settled five years earlier, after leaving England and sailing round the Horn to make their home in Canada.

MANY VISIT SIDNEY SCHOOL ON MONDAY

Scores of parents streamed to Sidney elementary school on Monday afternoon of this week when Principal Mrs. B. Christian and her staff were "at home" in honor of education week. Parents saw classes under instruction and viewed with interest the individual work of their children which was on display.

Modern teaching methods, with visual aids, were explained to the visitors. Different displays were featured.

The new school presented a well kept appearance and visitors were much impressed with the entire picture.

CLOSE CALL FOR YOUTHS

Two youths required medical treatment as the result of bullet wounds sustained in an accidental shooting near Keating Cross Road last week-end. Three boys were shooting .22 rifles. One threw a bullet into a pond and shot at it. The bullet ricocheted, passing through the leg of one boy and entering the leg of another. Robin Kirkpatrick is still under treatment at Rest Haven hospital while Bill Newton was treated by Dr. D. K. Ross and was not admitted to hospital.

TORPEDO LOST

Members of the Royal Canadian Navy have reported the loss of a dummy torpedo in the vicinity of Mill Bay. The torpedo, which is not explosive, is painted red and yellow.

AN ISLAND STORY BY THE LATE F. W. MARSH

Chapter XXVIII PERSONALITY PATTERN

In our last look at the North Pender picture we saw that personalities wove themselves into a rich pattern. Individually these personalities were colorful, vivid and varied. Collectively they added up to a distinctive democratic community. For example: Robin Macdonald, a former pursuer on Canadian Pacific Coastal Steamers and

Gains Award

JOHN H. YOUNG
—Victoria Times Cut.

John H. Young, son of Mr. and Mrs. J. J. Young, Keating, has been awarded a scholarship to pursue his studies in economics. Mr. Young is currently engaged as professor of economics at Yale University and is a resident of New Haven, Connecticut. A native of Saanich, Mr. Young was educated at Keating school and Mount Newton junior high school. Later he attended Victoria College. He is also a graduate of Queen's and Cambridge. During the Second World War he served with the R.C.A.F., completing his term with the rank of squadron-leader. He is married and has four children. Mr. Young is one of the youngest professors at Yale. He is 31 years of age. His parents, Mr. and Mrs. J. J. Young, are well known in Central Saanich, where they have taken a keen interest in all community affairs for many years. The successful scholar will use his fellowship to complete his studies for his doctorate.

FRANK CALDER TO SPEAK HERE

Speaker at the C.C.F. banquet to be staged in the K.P. Hall, Sidney on Friday evening will be Frank Calder, M.L.A. for Atlin. Mr. Calder will speak on his trip across Canada and the north.

Mr. Calder, the only Indian member of the legislature, will illustrate his address with lantern slides. The banquet is given for provincial C.C.F. members of the legislature and is open to the public.

BULLDOZER ON NEW ROAD

Slashing and burning of brush alongside the new marine drive in the north end of the Peninsula has been completed from Swartz Bay Road to a point near the home of W. S. Dawson.

A bulldozer of Evans, Coleman and Builders, operated by Clarence McCallum of Sidney, is now engaged in constructing the roadway. Considerable dirt work remains to be completed.

Visits Hospital To Incur Injury

Mrs. M. Drew, a resident of West Saanich Road, was treated in Rest Haven Hospital this week for a fractured arm sustained during a visit to another hospital.

Mrs. Drew went to St. Joseph's Hospital to treat a friend. She fell and injured her arm. On her return home the arm became increasingly painful. It was set at Rest Haven.

POSTPONED

The Ground Observer Corps exercise which was to be held on Mar. 28, is now going to be held on April 11. The whole of Vancouver Island, the Gulf Islands and the mainland region will take part.

Chosen Again

MRS. J. J. WHITE

Mrs. J. J. White, native of North Saanich and a resident of this district all her life, has been chosen to serve a further term at the head of the North and South Saanich Pioneer Society.

Galiano Hits Top Again

Galiano reached its 1953 level in the Red Cross drive for funds last week-end.

The indefatigable efforts of Mrs. D. A. New, assisted by Mrs. D. Bellhouse, Mrs. B. P. Russell and Stanley Jackson at the South End, Mrs. T. Bell at Retreat Cove and Mrs. H. Baines at the North End resulted in the very satisfactory sum of \$300 collected during the two-week drive.

Galiano has maintained a gratifying level for many years in the annual drive.

D. A. Smith reports that the Sidney canvassers have collected \$430 to date. Any resident of these districts who have not been called upon may still donate to the drive by calling any of the above-mentioned collectors.

TO WITHDRAW FROM REGIONAL PLANNING UNIT

Central Saanich council will withdraw from the Capital City Regional Planning Board.

At the council meeting last week the value of the board to the municipality was under fire. Reeve Sydney Pickles observed that no member of the board was binding on member municipalities.

"What is the object of the board if the decisions are not binding?" he asked.

The reeve also reported that ex-Councillor H. R. Brown, who had served as Central Saanich representative on board meetings, was doubtful of its value at \$200 per annum.

"My policy is to buy services if and when we want them," stated Reeve Pickles.

Approved was Councillor Harold Andrew's motion that the council withdraw from the board and refuse any financial contribution to its support.

To Name Trustee

Central Saanich council is to be asked to name a successor to take the place of School Trustee G. M. Owen on the board of Saanich School District.

Mr. Owen submitted his resignation at Monday evening's meeting. He explained that the resignation was delayed owing to the fact that he had been requested by the chairman to remain with the board until his board was completed.

The board expressed its regret at losing the services of a valued member.

POLICE TRANSFERS

Constable J. Luster, who has been attached to the Sidney detachment of the R.C.M.P. for several months, has been transferred to Courtenay. He has been succeeded here by Constable H. B. Preisen who came from Courtenay.

KNOW YOUR TEACHER

He Has Taught in Saanich for 21 Years

Arthur E. Vogee, principal of Mount Newton junior high school, has taught in four North Saanich high schools.

Mr. Vogee was teaching in this area when the original North Saanich school was destroyed by fire in 1934. The school then moved into the Mills Road hall for a year and a half, while the new school at Patricia Bay was under construction. Mr. Vogee moved with it.

In due course the new school was opened and among the first teachers to take his place in the front of a new class in the new school was Arthur Edward Vogee. For four years or so the new school continued at Patricia Bay without disturbance. The school then moved into Patricia Bay and the school moved out. The authorities were agreed that the schoolchildren presented a hazard to aircraft and that the aircraft were a hazard to the children. For a time Mr. Vogee was no longer with his scholars. While yet another high school was under construction, he served at Sidney school on a part-time basis.

Finally the present North Saanich high school was completed and once again Mr. Vogee appeared in a classroom of North Saanich high school. Having stayed with the school through all its problems, the teacher found it comfortably in its new and final home as principal in 1946. He followed Alexander Smith in this capacity, when the latter retired.

Leaves Sidney

MRS. M. THOMSON

Prior to her departure for Eastern Canada, Mrs. M. Thomson has been widely feted by her friends in Sidney. A member of the staff of Bewley's Drug Store for many years, Mrs. Thomson has been an active participant in many community enterprises.

Fire Course Offered In Sidney Area

Comprehensive brief course on fire fighting will be offered in Sidney commencing Tuesday, March 23.

The course will continue through April 29. It will consist of one lecture and demonstration each Tuesday evening during that period.

The course is provided by the office of the fire marshal in Vancouver and accompanying the lecture will be a modern fire pump truck. Although open to members of the existing fire department the course is aimed at training volunteers for the fire fighting section of the civil defense organization.

In addition to straightforward fire-fighting will be lectures on atomic, biological and chemical warfare and civil defense.

Chief G. A. Gardner, of the Sidney and North Saanich Volunteer Fire Department, urges a wide attendance at the lectures in order that members of the public not at present enrolled in the department may become familiar with the equipment in use. Any able-bodied member of the public is eligible.

FOREST RANGER IS VISITOR

J. B. Champion, a forest ranger at Athol, is a visitor in Sidney with his parents, Mr. and Mrs. J. N. Champion, Third St. It is his first visit here since his parents came to Sidney several years ago.

The Alberlton attended formerly High School at Ganges on Salt Spring Island from 1919 to 1924. It was a private boys' school not now operating. His aunt, Mrs. Cecil Abbott of Victoria, resided on Salt Spring Island at the time.

Mr. Champion receives The Review regularly at Athol and feels well acquainted with North Saanich in this way.

Sewer By-Law Endorsed By Avalanche of Votes

—Sidney Ratepayers Approve Project

Taxpayers of the Village of Sidney went to the polls in large numbers on Tuesday of this week and gave assent to a \$190,000 sewer construction by-law. An avalanche of ballots supported the by-law while a comparatively few indicated opposition to it.

Voting went as follows:

In Favor	353
Opposed	67
Spoiled Ballots	1
Total	421

Big Vote

The voters' list contained 658 names, and 421 or approximately two-thirds cast ballots. The numbers voting was considered extremely high for a money by-law. The affirmative vote was more than 80 per cent of the ballots cast. The poll was conducted by Village Clerk A. W. Sharp as returning officer. It was kept open from 9 a.m. to 7 p.m. As soon as voting ended, Mr. Sharp began the count. Affirmative ballots were more numerous right from the start and it was soon apparent to observers that the by-law had been given a routing endorsement. Only a simple majority was necessary for its passage.

Green Light

Authority has accordingly been given to the village commission to complete the necessary engineering plans for the project which will provide sewer services to the entire village area. Sewage will be disposed of at different outlets into the sea below low-tide levels.

Tenders will then be invited for the big project and it is hoped that an early start can be made. The construction job has already attracted wide interest among contractors, and one inquiry has already been received from a firm as far away as Edmonton, Alta.

The commission hopes that the entire program can be completed by the spring of 1955. The work will be paid for by the guaranteed debentures repayable over 20 years without raising the existing tax structure.

HOLLY GROWERS TO MEET AT FARM

The annual general meeting of the Vancouver Island Holly Growers' Co-operative Association will be held in the Farmers' Pavilion, Dominion Experimental Station, Saanich, on Saturday, Mar. 20, at 2.30 p.m.

In addition to routine business, arrangements are being made for addresses by officers of the department of agriculture upon topics of vital interest to holly growers.

Non-members, interested in holly growing will be welcomed. Refreshments will be served.

Now Patient In Nursing Home

Mrs. Jessie Grainger, formerly of Deep Cove, who has resided at Hotel Sidney for the past year, has been discharged from Rest Haven Hospital and is now a guest at the home of Mrs. Ruth Recknagle, R.N., Wilson Road. Mr. and Mrs. Recknagle recently moved to this district from Jasper, Alta., and purchased the home of Mr. and Mrs. Wm. Dickenson.

TO SHOW FILM

Will show a film of the 1953 World Series to members of the Sidney Community Club on Friday evening of this week at 8.30 o'clock. All interested are cordially invited to attend and view the film.

Goddard Is Named To Chair

At a meeting of the board of trustees of Sidney Wardens District last week, Everett Goddard, who was re-elected to the board at the 1954 annual meeting, was elected chairman for the ensuing year.

It was agreed to push the work of renewing the old pipe and trustees expect to have the entire renewal program completed by this summer. Materials for the job are already on hand. When this work is completed, it is the intention of the trustees to increase the amount of water delivered at a minimum charge. It is not intended to increase the rate structure.

It was also agreed to complete the installation of meters throughout the entire system. In the neighborhood of 200 are still required.

NEW SCHEDULE FOR AIR MAIL

New schedule for air mail and "all-up" mail from Sidney has been announced by Postmaster H. E. Kennedy.

Effective, March 15, the following schedule will operate every day except Sunday.

Mails close at 6 p.m. Leaving by air the mail will arrive in the following centres at the times stated: Calgary, 1.30 a.m.; Winnipeg, 6.05 a.m.; Regina, 10 a.m.; Toronto, 11.30 a.m.; Montreal, 2.10 p.m.

All-up schedule includes mail not prepaid airmail, but accepted and despatched by air where room is available. Only first-class mail comes under the category, all-up.

Glad To Co-operate With Department

Central Saanich has approved a request from the department of public works, whereby all applications for access onto the Patricia Bay Highway will be submitted to that department before the council will offer its approval.

The step is in line with the recent legislation aiming at eliminating ribbon development on highways. The department letter stated that co-operation would "be appreciated."

The council last week was "glad to co-operate."

ANNUAL REPORT TO BE PUBLISHED

Annual financial statement of the Village of Sidney has been turned over to The Review for publication.

The report will appear in full in this newspaper's issue of March 24.

HIGH SCHOOL PLAY GAINS DRAMA NOTE

The North Saanich High School Drama Club presented its play, "Our Dream House", at the opening evening of the Greater Victoria Schools' Drama Festival at the new Oak Bay high school on Monday evening.

Adjudicator Sidney Risk said that he knew the play well. He had directed it several times and had been in the cast often. He felt "that the Saanich group had handled it well indeed". He had special praise for Miss Jill Turner, who as Grandma O'Hara, gave an excellent performance.

The play was under the direction of Mrs. J. Lee and the cast included Robert Readings, Catherine Stone, Jill Turner, Patricia Gray, Marion Thomson, Robert Ross and David Gray.

Stage settings and properties were in charge of D'Arcy Trouill Bob Gilbert, Avis Boshier and Arvilla North.

The play, "Our Dream House",

GAY FAREWELL PARTY IS STAGED FOR MRS. M. THOMSON IN SIDNEY

On Saturday evening, the gaily decorated St. Andrew's Hall were a festive air for the surprise farewell party for Mrs. Mary Thomson, who is leaving Sidney shortly to make her home in Marathon, Ont.

About 100 friends were present to wish her God-speed and altogether 170 had contributed towards a gift for her, an eight-place service set of silver, 1847 Rogers.

On arrival, Mrs. Gertrude Scott pinned on the guest of honor a beautiful corsage from Mrs. J. John. Harold Fox, chairman of Sidney Village Commission proposed the toast and afterwards introduced Howard Bewley, who with a short speech presented "Mom", as she is affectionately known, with the gift, which was beautifully wrapped and adorned with red roses and heather, the work of Mrs. A. Phelps.

Bouquet

The honored guest made a speech of thanks and received from Mrs. H. Fox a beautiful bouquet of freesia-carnations and roses, a token of esteem from all her friends, and the little Baal grandchildren, Glenda and Laurie, presented a dainty sheaf of red roses.

While Mrs. Thomson was examining her gift and the ribbon with the names of contributors inscribed thereon, Frank Aldridge, with Howard Vine at the piano, led the party in community singing. Major L. B. Scardiffield presented an amusing

POTATOES AND IRISH PEOPLE

Population of Ireland increased two-fold several centuries ago when the potato was introduced from the New World as a crop. In an address to Sidney Rotary Club on Wednesday evening last week James Ramsay, Sidney rector and retired school teacher, outlined the history of his native Ireland.

He explained that the same potato which led to the increase in population became a national enemy when it failed as a crop and half the country was left to starve.

Mr. Ramsay contrasted the fuels employed in Northern Ireland and in Eire. In the former the main fuel was coal, but in Eire peat forms the basis of all fires. The speaker listed a number of other features distinguishing the different characteristics of the two parts of the country.

Full attendance of members was notable at the meeting.

Accident rate attributable to the modern roads throughout the world was approached in the days of the horse and buggy by the deaths from infantile diarrhea. This disease was spread by flies bred in stables.

ART EXHIBITION PLANNED FOR NORTH SAANICH FROM MARCH 28

An exhibition of work by members of Saanich Peninsula Art Centre and other artists of the district will be shown by Beacon Ave. merchants from March 28-April 4. The exhibition will include oil and water colors, weaving, pottery, and copper work.

The first exhibition to be staged since the inception of the group in May, 1953, the showing will bring to the attention of the public the work achieved by the group during the past year-12 months.

Exhibitors are invited to submit their work to D. J. Anderson at his Deep Cove studio.

At the monthly meeting of the art centre in the studio of Mr. Anderson's home, on Wednesday of last week, it was announced that a new class is to be opened. Jack Ritchell will instruct in pottery and sculpture.

Summer sketching in both oils and water colors will be featured during the season. These classes will be open to schoolchildren during the holiday periods.

Mrs. F. A. Spear showed a film, "Peter the Potter", which depicted the Dykeman family at home in New Brunswick. D. E. Breckenridge operated the projector.

The meeting expressed gratification at the support given by the department of education and the interest displayed by residents of the area.

Mr. and Mrs. R. E. Gile have volunteered the use of their grounds at The Latch for a garden party during the summer.

skit, assisted by Mrs. Scardiffield and Harold Bennett. Frank Aldridge sang two Scotch songs and George Baal gave a monologue and sang a very amusing parody of "The Village Pump", substituting the words, "The Sidney Pump".

Excellent refreshments were served. The head table was decorated with pink tulips and narcissi, white tapers, and a large iced cake in the centre, which was suitably lettered for the occasion, and included Mary Thomson's favorite toast in Scots dialect.

Dancing

Music for the dancing, which followed, was provided by Mrs. T. Morgan and her son and Stan Magee, and the evening ended with a Virginia reel and Auld Lang Syne.

Convened by Mrs. Gertrude Scott and Mrs. A. Phelps with Don Smith as M.C., the party was a huge success. Mrs. F. Gilbert, despite an injured ankle, handled the catering arrangements splendidly. Assisting her were Mesdames H. Bewley, H. Bennett, L. Scardiffield, A. A. Cormack, J. Gray. The floral arrangement and the cake were the work of Paddy Scardiffield, and the pink serviettes, printed "Good Luck, Mom", were the gift of Maxine and Con. Cornish.

PUBLIC MEETING

A public meeting has been called for the old Sidney school on Thursday evening, March 18, at eight o'clock when the program of the Sidney Recreation Commission will be outlined. It is hoped that attendance will be large. The public is invited to be present.

Illustrated Lecture

Sunday night, at the Adventist church, Rest Haven Drive, there will be an illustrated lecture on the "Second Coming of Christ." Also a most interesting health talk on "The Common Cold," by Dr. Raymond West from the Rest Haven hospital. Dr. West's lecture will precede the evening service. Song service begins at 7.30, followed by the doctor. This will be the first of a series of health topics to be presented each Sunday night by Dr. West. He will discuss the every-day health problems of the home and community. A welcome is extended to all especially to those who have no church home.

SAANICHTON GIRLS OUSTED FROM FINALS IN VIVID GAME

(Contributed)

Saanichton Community Club's bantam girls and boys teams were indeed a credit to the district when they took part in the tournament in the S. J. Willis Junior high school on Friday and Saturday last.

The action was hot and heavy when the girls played the opening game against Kitsilano "A" team on Friday evening.

The local girls scored a 15-8 upset over the mainland. On Saturday afternoon they met up with the Vancouver Majorettes. This was a tussle from the starting whistle, but several times the score was tied. At the final gong the Majorettes had gained a score of 10 points to put them in the finals with Alberni Athletics.

The local girls all played a splendid game and never once gave up. The club should feel honored to be represented in the semi-finals.

The boys lost their first game but this gave them a chance to play in the consolation series. The next round was with Sooke, and this was the most exciting game of the series as they saw-sawed all the way and tied at the final whistle, to go into three minutes' overtime, but Sooke came up with the extra points to put them ahead.

All the youngsters and coaches enjoyed a turkey banquet in the school dining room at 5.30 p.m. Saturday evening.

Even though the silverware could not come to Saanichton, F. Hancock, the bantam boys' coach, walked away with the door prize, "a television set."

The Fraternal Order of Eagles Youth Guidance Committee are to be congratulated at the splendid way they conducted the tournament. More than 200 youngsters on 20 teams took part in the highly successful affair.

GUIDE MOTHERS ENTERTAINED

On Friday evening the local association of Guide Mothers at Saanichton held a St. Patrick's tea at the dining room of the Agricultural Hall.

Guests were shown the film on the life of the late Lord Robert Baden-Powell, founder of scouting and guiding. The film was shown by Mrs. A. R. Mills.

A second film depicted a nature study and was shown by Dr. Clifford Carl of the Provincial Museum. A cartoon for the children completed the show.

In attendance was Divisional Commissioner Mrs. Freeman King.

Tea followed the film show, when the home cooking tables were cleared by the visitors.

The door prize ticket was selected by Roberta Ratcliffe and the winner of the box of provisions was Mrs. F. J. Brownlee. Responsible for a successful evening were Brown Owl Mrs. D. Looy and the Brownies, Guide Captain Mrs. A. R. Mills and the Guides, assisted by Mrs. F. Edgell and other mothers.

Mrs. D. Wheeler, who served as convener, expressed the gratitude of the members for donations of home cooking for the event.

TALENT CONCERT FOR KEATING

South Saanich Women's Institute held the regular monthly meeting at the hall, East Saanich Road, on February 16. Nineteen members were present, and guests were Mrs. M. Jacobs, Mrs. W. Hamilton and Mrs. J. Allen.

Mrs. Bain, regional supervisor of

SAANICHTON

The Pioneer Cribbage Club met in the Log Cabin on Wednesday, with 10 tables in play. Prizewinners were Mrs. W. Butler and Mr. Bryce. Refreshments were served at the close of play by the ladies of the club.

Miss Janie Carmichael, of Prosser Road, has joined the Greater Victoria School Pipe Band under the direction of Pipe Major Ian Duncan. The band meets every Tuesday. Miss Carmichael has been asked to assist the work and has very kindly consented to help.

On Wednesday afternoon, March 10, in the Agricultural Hall, Mrs. Benson, the district nurse, showed two splendid films on child psychology, "He Acts His Age" and "Your Children and You", to a number of interested mothers of pre-school children. Afterwards, a discussion period was carried on while tea was served by members of the P.T.A. and community club. This meeting

the welfare department, was guest speaker, her talk being on the work done by her group.

Plans were made to hold a tea and rummage sale at the hall on April 14.

A local talent concert will be held on March 26, at 8 p.m. A request has been sent to the Queen Alexandra Solarium for sewing that the members can do.

A cleaning bee was held at the hall on March 1, and another will be held before the concert takes place.

COMMUNITY PROGRESS

TAXPAYERS of the Village of Sidney made it eminently clear at the polls on Tuesday that they want a modern sewage system constructed to serve all parts of the municipal district. By a thumping majority of more than 80 per cent, property owners approved of the \$190,000 sewer construction by-law and gave their commission the green light to go ahead and complete the job and pay for it by the sale of 20-year debentures.

At the same time taxpayers expressed their willingness to pay their own share of the project for the costs of hooking up each individual property to the main pipeline will be shouldered by the property owner.

The heavy affirmative vote to the by-law also showed confidence in the present administration of the village. The village fathers can feel pleasure at the results of the day's voting.

The vote also showed that village residents take a keen interest in their affairs. This was evidenced by the high percentage of eligible voters who actually cast their ballots.

Sidney is making progress under the village form of administration. The new sewage system will revolutionize living here. It is unquestionably a forward, progressive step.

The heavy affirmative vote should be encouraging to proponents of the formation of a hospital district throughout the Gulf Islands which would lead to construction of a new Lady Minto Gulf Islands Hospital at Ganges. Tuesday's election here proves that people are ready and anxious to undertake sound, community progress—even though it costs money. We hope that the green light will soon be given to this other vital health necessity.

BEST WISHES

OCCASIONALLY a man or woman comes as a complete stranger to a community. This person has qualities which are unusual in this modern age. As time passes by he or she becomes well known in the community and is held in the highest of respect by citizens in all walks of life.

This respect may be gained in many ways. It can be by a cheery and friendly greeting. It can be by good works done quietly over a long period of time. It can be by active interest in worthwhile community organizations. It can be by the genuine life he or she leads.

Mrs. M. Thomson has resided in Sidney for only six years. But she is admired and respected by scores of people all over the Peninsula. On the eve of her departure to reside in Ontario, a spontaneous social in her honor was held on Saturday evening last. She will be missed in many homes throughout this area. Few people have left this district bearing more good wishes than those which Mrs. Thomson will carry away to her new home this week.

A SERVICE TO THE COMMUNITY

WHILE many branches of the civil defense organization have deservedly gained enthusiastic support from residents of this district, there is one such branch which automatically merits immediate response.

The fire force of the scheme is one which will be called upon to do yeoman service in the event of the civil defense system being called into operation. This is a justification for response to the call for fire volunteers. In this area, from the borders of Central Saanich to the northern most Gulf Islands of the area, fire fighting is a public responsibility at the present time.

Every volunteer who enrolls with the emergency service is taking his place beside the firemen who have already enlisted with the regular volunteer fire services here.

Fire Chief G. A. Gardner of Sidney and North Saanich has called for volunteers to attend a course on fire-fighting in Sidney during the next several weeks. Every volunteer is a potential fire-fighter at his own home. This is a course which should be given every consideration.

POSTAL PROBLEMS

NOT all our postal problems can be blamed on the post office department. The Review's face is a little bit red in this connection.

On February 12, 1954, our reliable Salt Spring Island agent, J. M. Napier, mailed to us an envelope containing some important instructions. This letter has not yet been delivered at the Sidney post office. Just where the message has been sent is not clear. Mr. Napier's instructions have had to be sent again. The second attempt proved more successful and the instructions are now being complied with.

Mr. Napier's letter may turn up eventually but its present whereabouts is still a mystery.

On the other hand, it is only fair that we outline another little incident. One of our valued Galiano subscribers, Mrs. A. E. Secones, mailed us an envelope containing a cheque in payment of her annual subscription. It reached The Review office. Now used envelopes are set aside in a little box and kept for G. E. Wardle of Dencross Terrace who calls for them, removes the stamps and forwards them to England. He is an ardent philatelist.

One day Mr. Wardle phoned from his home to say that he noticed that one of the envelopes he had acquired from this office contained a cheque. He returned it on his next visit to Sidney. The office staff suffered some embarrassment—but Mrs. Secones' subscription is now in good standing again.

Truly, all missing mail cannot be blamed on the postal authorities.

... Letters To The Editor ...

DECISION DISPUTED

Editor, Review,

Sir:

In your issue of March 10 you

state that Central Saanich council

decided there was no legal indication

of the status of Tunstead Road as a

travelled public highway. This is

childish nonsense, no matter who

decided so. There are laws govern-

ing such matters and the law that

applies in this case has its roots

away back in the days of the Anglo-

Saxon Highway Act, Chapter 144 of the Revised Statutes of British Columbia, 1948, states, "Wherever public money has been expended on a travelled road, that travelled road shall be deemed and is thereby declared to be a public highway". Even if it has not been established, by notice in the Gazette or dedicated to the public use in the Land Registry Office. That is the law of the land and neither the reeve nor the council can over-ride it.

Reflections from the Past

10 YEARS AGO

Capt. C. F. Gibson, Centre Road, Sidney, is disposing of 20 of his registered Jersey cattle by auction on Wednesday. The notable Jersey farmer reports that he is unable to tend his large herd since help has been unobtainable during the war.

Mrs. Milton Towers is a patient in Rest Haven hospital suffering from influenza.

Dr. Ernest Whitehouse, of Saanichton, is also a patient at Rest Haven.

W. R. C. N. Shirley Wilson returned to Victoria on Sunday after spending 48 hours' leave with her parents, Mr. and Mrs. N. W. Wilson, Salt Spring Island.

Mrs. G. Welfare, who has sold her property at North Salt Spring, has taken up residence in a cottage on the Ross Young property at Ganges Harbor, which has recently been purchased by F. O. Mills.

Mrs. Houlgate, who has been visiting friends in Victoria returned on Saturday to her home on Mayne Island.

Joseph Lloyd Walters has returned to his home in New Westminster after spending two weeks at Retreat Cove, Galiano Island.

At the annual meeting of the Galiano Golf Club, Victor Zala was elected captain; J. P. Hume, vice-captain; Mr. Harris, president; Mrs. O. Franks, secretary-treasurer and Mrs. R. C. Stevens and Mrs. J. P. Hume forming the committee.

At the annual meeting of the North Saanich War Memorial Park Society on Tuesday William Stacey, Frank Hunt and George Gray were re-elected to the board of directors. It was stated by secretary-treasurer G. A. Cochran that the proceeds from Sidney Day last year amounted to \$81.90, of which \$33.80 was net profit.

Capt. A. B. Gurney has resigned from his post as lighthouse keeper at Mayne Island. His son, Tom

Gurney, who is serving with the R.C.N., is expected to seek to serve as his successor.

In honor of their daughter, Catherine Popham, who is home from the R.C.N. base at Halifax on two weeks' leave, Rev. and Mrs. C. H. Popham entertained recently at their Ganges home. Among the guests were Mrs. A. J. Eaton, Mrs. J. Mitchell, Mrs. W. E. Scott, Mrs. A. J. Smith, Mrs. Cecil Springfield, Misses Sylvia Crofton, June Mitchell and Jacqueline Pearce.

20 YEARS AGO

A familiar figure throughout the Peninsula, "Old Katie", passed away on Thursday. The aged Indian woman was buried in the Catholic churchyard on West Saanich Road on Saturday, when Rev. Fr. W. Lemmens officiated. Old Katie was born on the mainland about 100 years ago. This was about the time that James McMillan erected the palisades of the old Fort Langley. For many years she had been a notable character in the vicinity.

Friday evening marked the concert of the Burgoyne Bay United church in the local school house. The program, which yielded \$38, featured vocal and instrumental solos by Miss H. Dean, Miss Loraine Wakefield, Miss New, Miss B. Hamilton, K. Mollet, Miss Eileen Carley, Miss Muriel Ross, Mrs. J. W. Graham, Mrs. Edgar Wakelin, Mrs. Ronald Lee and Dorothy Lee. A miscellaneous stall was under the direction of Mrs. R. McLennan and Miss M. Townsend directed the fish-pond. A decorated doll was won by Maryvyn Gardner.

H. Erikson and his bride were welcomed home on Friday evening at a surprise party in the Saturna Beach hall. An address was given by R. L. Mountain.

Weekly "500" party of the Sidney Social Club was held in the Guide

He Earned His Final Rest

A tribute to the late Joseph Akerman by Winnie Lautman, Ganges.

The little church was crowded and the sunlight shining through the stained glass windows softly shone on the organ and the pew where the mourners all were seated. There 'neath the wreaths and crosses Lay our kindly friend, Old Joe, while we count him 'mongst our losses.

The minister read the service and they sang "Abide With Me." I thought of other days and places: I heard the roar of a Model "T" And the sound of the old rock crusher, Joe was a road boss then, He helped to build our Island roads, he worked among the men.

It seemed to me but yesterday, though nearly 30 years ago, I heard the organ music softly playing sad and slow; I could not feel regretful for our old friend lying there, His race with life all over, his days to dawn but fair.

Why prison him here on earth, when his work on this planet is done?

He could no longer stroll in his garden out in the cold March sun. I wished him luck on his journey to that Land of Peace and Rest. If we're old Life can be our prison, the end could be much the best.

I thought back of the early days, when the oxen pulled the plough, Followed by a boy in overalls—they ride a tractor now. Across the fields he must have ploughed, nigh 70 years ago, For in those horse and buggy days life was far more slow.

Again I heard the organ play, 'twas read, the final prayer, I returned from that field of fancy to our old friend lying there. His life's last furrow finished, the headland reached at last. The struggle long was over, his troubles all were past.

I followed the long procession to the churchyard on the hillside. They laid him ever so gently there, by his dear ones gone, beside. We'll long remember kindly that old-time pioneer. Were it not for many like him we wouldn't now be here.

The rock-crusher referred to was situated close to the Ganges-Fulford Road and Cushoon Lake Road. In those days, 30 years ago, Model "T" Ford trucks were used to haul the crushed rock. Mrs. Lautman recalls seeing Mr. Akerman at that time, directing operations.

In the matter of proof, I submitted documentary evidence that I had done work under instruction of the superintendent of works for Saanich in 1913. The Saanich council affirmed that they had maintained Tunstead Road.

Under the Pickles regime money was spent much more lavishly than I ever did on it. Enough to warrant the right to be made a public road if it had not already sufficient evidence.

I know the road has been used publicly for over 40 years and yet the reeve says there is no proof that it is a public road.

The reeve has a peculiar memory. On Monday, Nov. 27, 1950, at the Saanich council meeting held in the Royal Oak hall, Tunstead Road was discussed. It was accepted as a public highway. A motion to accept it was moved and seconded. "That steps be taken to have Tunstead Road gazetted" was unanimously carried. All the councillors were present at the time; Mr. Pickles included.

This hardly agrees with the reeve's present stand.

Now these are not unsupported assertions, as Friend Pickles would have you think. Everything I state can be proven, and Mr. Pickles knows it. As to his personal attacks on me, I have lived long enough here to be known for what I am, good and bad, and I'll let it go at that.

R. E. NIMMO, Saanichton, B.C., March 15, 1954.

HITLER AND JOSHUA Editor, Review, Sir:

In ancient lore, the one great feature was its inspiration. Men were generated and accepted as leaders when the idea of a particular need such as military defense, gave new hope in the place of a sinking or despairing mood.

People were always ready to be saved from prolonged social disturbances, or from personal miseries. So came the prophets and kings and professors of all sorts.

In an interview with The Review the aged Chief David Latasse, of Tsartlip Reserve, stated that a sea monster had been known off this coast 160 years ago. He did not say whether the monster was the currently notable Cadborosaurus or an ancestor of the present ogre.

Canon F. G. Scott, chaplain of the First Canadian Division, was a guest for several days this week at the home of Col. and Mrs. C. W. Peck, Roberts Bay. Accompanied by Col. Peck, Canon Scott paid a visit to Salt Spring Island over the weekend, visiting at the home of Capt. M. F. Macintosh.

Mrs. Linfoot, of Gambier Island, has returned home after a brief visit with her brother, F. Crossingham, Saturna Island.

"The House of Gair", by Eric Linklater. Jonathan Cape.

When Stephen Coryat found himself in a lonely part of the Highlands of Scotland, without gasoline and without hope of finding any, he made his way to the home of Hazel-don Crome.

Crome lived in the House of Gair on the moor of that name. Surrounded by art treasures and manifestly a relic of the Victorian era, Crome proves himself a host of no mean ability. His masterpieces of art are part of the story, but a part that cannot be expected to appeal to the layman whose interest in art is limited. That is by the way and bears no direct relation to the attraction of a very fine mystery story.

but a part that cannot be expected to appeal to the host. The House of Gair is a centre of eccentricity. In addition to the host, building, which was formerly used as a cook house had been condemned as a fire danger.

with his heart in the 1890's, Coryat finds a Cuban housekeeper. Obviously a former beauty the lady has outgrown that attractiveness she possessed in her youth. The housekeeper's help is a local Highland girl with magnificent dark red hair. Her hair is not balanced by her features, for she has a hare lip.

From this beginning Linklater takes his reader into a long and undoubtedly exciting tale of deception. In parts the story is eerie, but it maintains a thread of probability throughout, which enables the reader to place some degree of credulity in the happenings described.

The narrator in the book is Stephen Coryat, the stranded traveller.

It is an excellent book and one which will undoubtedly serve to enhance the name of Linklater.—F.G.R.

IMPORTANT NOTICE

Here is the truth about the new Hospital Insurance policy. Know the facts!

The new policy will mean that people in the low and medium income brackets will get full coverage without worrying about premium payments.

Premiums are abolished! The 2% is not new taxation, but replaces the high premiums which will be abolished. Financial experts estimate that a family of four earning \$260.00 per month will actually pay less than \$15.00 per year under the increased sales tax, a distinct saving of over \$24.00 per year.

THIS MEANS THAT THE GREAT MAJORITY OF PEOPLE IN BRITISH COLUMBIA WILL PAY LESS.

Remember, the same wide British Columbia Hospital Insurance Service benefits remain—and you CAN still claim your receipted hospital bill for income tax purposes.

A refund of unearned premiums will be made as soon as possible.

DO NOT BE MISLED!

PIONEER OF NORTH-WEST DIES IN LADY MINTO HOSPITAL

Lieut. - Col. Douglas Musgrave Rourke passed away at Lady Minto Hospital, Ganges, on Monday, March 8, following an illness of several months. He was born in London, England, June 6, 1887, of Irish parentage, the eldest son of Thomas Rourke and Annie Crossland Kelly.

He came to the Northwest Territory several years before the formation of the Province of Alberta, homesteading west of the City of Edmonton, and after proving up he entered the service of the Hudson's Bay Company, fur trading division, for several years. Later he engaged in sawmill and tie-making operations on the Pembina River in the province of Alberta.

Overseas

On the outbreak of the First Great War he went overseas with the Alberta Dragons, saw service in Belgium and France and was wounded. On recovering from his wounds he transferred to the Imperial army, at which time he received a commission in an East Kent regiment (The Buffs). Later he joined the Royal Flying Corps and was with the air force until the end of the war.

On his discharge he, in association with several fellow officers, entered into an automobile tire business for several years, but the pioneer life called to him once more, and he returned to Canada, again entering the employ of the Hudson's Bay Company, in various posts throughout the Canadian northwest.

During this period and also prior to his enlistment he was more or less actively engaged in furthering the principles and aims of the Liberal party. On terminating his employment with the Hudson's Bay Company he came to British Columbia, engaging in the logging industry where he became known up and down the coast as an expert cost accountant — meanwhile making his residence at Ganges up to the time of his death.

Last Rites

Surviving in Canada are his wife,

Annie Rourke, at Ganges; his brother, Gerald C. Rourke of Edmonton, Alta., and in England another brother, Patrick Victor Rourke, of London; and two sisters, Miss Muriel Rourke and Mrs. Ernest Cooke, both of Norfolk.

Funeral service was held on Friday, March 12, at Royal Oak Chapel, followed by cremation. Pallbearers were K. Ashton, G. Jordan, Donald Goodman, W. M. Mouat, Colin P. Mouat (Ganges) and Walter Steel (Victoria).

GALIANO

Mr. and Mrs. Moore visited their Salamanca Point cottage last weekend.

Mr. and Mrs. George Jack, of Campbell River, were the guests last week of Mr. and Mrs. Lloyd Booth. Miss Mary Shopland is spending several days visiting her parents, Mr. and Mrs. A. G. Shopland.

Mrs. N. Patterson of Craigmore, Sask., recently paid a brief visit to her brother-in-law and sister, Mr. and Mrs. Percy Gaylor.

Some members of the staff of Radio Station CKWX, Vancouver, visited the island last weekend.

Registered at Galiano Lodge are Gerald Emerson and Brian Bishop, of Victoria.

St. Margaret's Ladies' Guild met on Wednesday of last week at the home of Mrs. C. Hargreaves.

Capt. I. G. Denroche has returned home from Vancouver after spending a few days in that city.

J. W. Scott has returned home from hospital and is making a good recovery following his recent accident.

HONOR PUPIL

Moiria Bond, Ganges, a pupil of Doris L. Crofton, L.R.C.M., passed Grade III harmony with honors in the recent examination of the Royal Conservatory of Music of Toronto.

THE GULF ISLANDS

NORTH PENDER

Mrs. Bobak recently came on the M.V. Lady Rose to Hope Bay, then with her mother, Mrs. Kingsmill, took the boat at Port Washington, returning to Vancouver.

Miss Prentice went to Vancouver, also Bert Roe, of Rosedale.

Major Scott of "Rogusa", Armadale, went to Vancouver, starting another trip to Aberdeen, Scotland.

Miss Mary Dennis and Anthony, and Mrs. Norman Miller and Wendy, went into Vancouver, Tuesday, March 2.

There was a painting bee recently at the Hope Bay Hall. Six of the boys went in the afternoon and 21 volunteers at night. A coat of paint was put on the hall and kitchen. Colors are cream and green.

The W.I. meeting was held at the home of Mrs. Ray Brackett on Friday, March 12.

Mrs. Doig, of California, is staying at Ill-A-Hee, the name of which means in Chinook, "This Is My Home", and enjoyed Pender Island so much that she intends to stay until the daffodils bloom. These are a late variety.

Television was brought to the island to the home of Mrs. W. Bowerman by her son, Leslie Bowerman, Tuesday, March 2, with good reception from two stations, one of them being Vancouver.

Bert Brackett has gone to California with his family for two or three weeks.

A service was held Friday, March 5 in the United Church, in connection with the World Day of Prayer.

The St. Peter's Anglican and United Church congregation united for the occasion.

Mr. and Mrs. Ross Brackett came in from Galiano on the M.V. Lady Rose on Thursday. They will be leaving Saturday. Mr. and Mrs. Tallyn went to town, Thursday, for a short visit.

Mrs. E. Muir is on the island for a few days.

Dave Menzies came from Haney to visit with his brother and sister-in-law, Mr. and Mrs. V. Menzies, at Hope Bay. He arrived Thursday and will be returning to Vancouver Saturday.

Horace Logan has been visiting with his mother for a few weeks and will be going to Victoria Sunday.

Mrs. Symes is also going to Victoria, Sunday, by Martinich's launch, The Blue Streak.

SATURNA

Mrs. J. Campbell and infant daughter, Jacques, returned home from Vancouver on Thursday. Mrs. Campbell was accompanied by her mother, Mrs. A. R. Thomson. Mrs. Thomson returned to Vancouver on Saturday, as did Mrs. Aileen McGeer.

Miss Violet Rush was a week-end visitor to the island.

An enjoyable party was held at the community hall. Mr. and Mrs. W. Warlow provided music for dancing, and several new square dances were successfully learned.

MAYNE

The ladies' auxiliary to the Canadian Legion Branch 84, Mayne Island, held a "country Store" night and community singing on Saturday evening, March 6, at the community hall, under the capable management of Mr. Hunt-Sowrey, who, as store-keeper, assisted by Miss Julie Hall, attended to the drawing of the 70 prizes donated by the local residents.

Mrs. F. Norminton, acting as M.C., with Don Vigurs assisting, kept the community singing in full swing. special mention going to the large number of school children who sang several of their school songs which were enjoyed by the adults.

Mrs. J. R. Rennie of Upper Fraser, B.C., who is spending a few days with Miss Ethel Clarkson, of Galiano Island, paid a flying visit to Mayne Island to look over her future home, the Bardon property, which she has purchased and expects to occupy in the near future.

Dessert Bridge At Ganges Hill Home

Mrs. H. J. Carlin was hostess recently, when she entertained at a dessert bridge, given by her at her home on Ganges Hill.

The rooms were attractively arranged with Spring flowers and the hostess was assisted in serving by her daughter, Diane.

Following bridge the first prize was presented to Mrs. Stanley Wagg and the consolation to Mrs. L. G. Mouat.

Among those present were Mrs. E. J. Ashlee, Mrs. Cora Faire, Mrs. Mary Fellows, Mrs. Mervyn Gardner, Mrs. E. H. Gear, Mrs. J. H. Lamb, Mrs. L. G. Mouat, Mrs. M. T. Mouat, Mrs. F. H. Newnham, Mrs. Joyce Parsons, Mrs. A. E. Roddis, Mrs. George St. Denis, Mrs. Stanley Wagg, Mrs. A. L. Young, Miss Grace Mouat.

FULFORD

Mr. and Mrs. G. A. Moulton, Sidney, spent last week-end with their son-in-law and daughter, Mr. and Mrs. John Silvester.

After spending a week with his son-in-law and daughter, Mr. and Mrs. Walter Twa, John McKinley returned on Saturday to his home at Ladysmith.

Mr. and Mrs. M. McTighe and Mary Lou returned home on Saturday after spending a few days in Victoria.

William Furness returned to his home recently after being a patient at Lady Minto Hospital.

W. D. Stewart was a patient at the Lady Minto Hospital for a few days.

Social Credit Group 2, Fulford, held a meeting at the home of Mr. and Mrs. D. Dane, on Friday, March 5. D. Dane presided, there was a good attendance and a very interesting meeting.

At a recent meeting of the hall committee, it was decided to hold a general meeting on March 20, 8 p.m., at the Fulford Hall, to form a committee to make arrangements for the annual May 24 celebrations.

Mr. Belton, of the National Film Board, Victoria, visited Fulford on March 8, and he would like very much to form a council so that there could be regular showings of films at the Fulford Hall about once a month. The films present a great variety of topical subjects.

H. Allison and his son, Melbourne, were the recent guests of Mr. and Mrs. A. J. Mollet. They have been spending the winter in Arizona and are returning to their home in Guelph, Ont.

Michael Jackson has returned from Vancouver after spending the week-end attending the high school students' convention at U.B.C.

BRITISH-CANADIAN TRADE IN 1953

United Kingdom exports to Canada last year averaged \$37.6 million per month, an increase of some \$5.6 million over the figure of \$30.9 million per month for 1952. Britain's imports from Canada came to \$71 million a month, slightly lower than the \$74.6 million per month in 1952.

TO ASCERTAIN ACTION TAKEN

Central Saanich is left in the cold. At last week's council meeting the permanent problem which has faced Central Saanich since incorporation was raised again. Reeve Sydney Pickles commented that nothing appeared to have been done by the Union of British Columbia Municipalities regarding a motion on the books of the union.

At the annual meeting last year the union approved a resolution submitted by the local municipality calling on the group to bring to the attention of the provincial government the present system of taxing utilities.

The council will write to the union asking what steps have been taken in the matter since that time.

SINGAPORE CONSTITUTION
Proposal for a Cabinet system of government for Singapore, with the majority of portfolios held by elected members, were made in the report of the Rendel Commission which has been inquiring into the new constitution for the colony. Under the new constitution, most matters at present handled by the Colonial Secretary's Office would be dealt with directly by elected cabinet ministers.

Wise Gardener

Notes From Saanich Experimental Station

It is important to know when to sow seed at intervals to obtain a longer season of ripening, and when to select varieties of different times maturity.

This question is frequently raised with corn, since this crop is in the prime for a very short period only. With sweet corn, results are usually better if several varieties are selected, each of which will mature at a different time. The seed of each should be sown at the same time, which for average conditions will be about the tenth to the fifteenth of May.

For a first early variety Spangcross is reliable, followed by Marcross as a second early. Carmelcross is a consistent, heavy cropping high quality variety to follow Marcross; while Golden Cross Bantam is ex-

cellent as a later variety of fine quality. These are all hybrids. For those who like the time of ripening of each variety spread out

ANSWER TO LAST WEEK'S PUZZLE

over a longer period and are not concerned about lower yield and poorer uniformity, there is Dorothy in the early bracket, followed by Golden Early Market, and then Golden Bantam, the old time favorite.

Cut Flowers

The following information by a well known florist deals with the conditioning and care of cut flowers. While it is written primarily for the benefit of the florist-retailer it contains some pretty sound advice for all individuals who handle cut flowers and who wish to obtain the best results from them.

"The life of the flower actually depends on how long the sap or moisture contained in the flower and stem and foliage can be retained within the flower. This moisture is, of course, lost through evaporation and radiation. Refrigeration retards this evaporation and radiation.

"Dry air is a killer of flowers, because it saps the moisture from the flower quickly. An automatic humidifier, in the home or office or wherever flowers or plants are kept, adds greatly to the life of the flowers because it adds moisture to dry air, thereby retarding the evaporation.

"To properly condition flowers they should be properly placed in the correct size of containers and placed first for about four hours in a live air refrigeration room at a temperature of from 38 to 40 degrees, after which they should be placed in a refrigerator, preferably save air and in a temperature of 40 to 45 degrees.

"From that temperature they may be safely removed into a normal room temperature and they might be considered to be properly conditioned to withstand all normal conditions.

"By 'live air' refrigeration is meant the type of refrigeration where a fan blows air through refrig-

erated coils into a room or refrigerator. This type of refrigeration is much better than any other type for the refrigerating and conditioning of flowers.

"Several chemical powder products on the market assist in the conditioning and add to the life of flowers by keeping certain foreign matter and impurities from forming at the base of the stem and clogging it. If these products are added to the containers in the flower shop during the conditioning and if packages are enclosed with the flowers that are sent out to the recipients, the combination of the two will add greatly to the life of the flowers."

"('Floralife' is one such chemical powder). All of the above rules in regard to conditioning apply to the general stock of flowers carried by the average retailer. Orchids are an exception. After they have been cut, orchids should not be kept in refrigeration that falls below 55 degrees and the refrigeration should be of the still air type, not of the blower type.

"Gardenias and camellias should be conditioned just the same as other flowers, only they should be left in the pre-packaged cellophane packages that the producers place them in and also should be left in the corrugated carton in which they are delivered and this entire carton placed in the storage room or refrigerator.

"Woody stems, such as found on chrysanthemums, stalks, etc. should be crushed at the base with a wooden mallet. This has been found to be much more satisfactory than cutting the stems slantwise as is done on most of the other flowers."

are from good healthy stock. This has always been important but not always followed. Certification of plants by the office of the Provincial Plant Pathologist has been the best guide as to the general health of plants and their freedom from redstele (root-rot).

We understand that this year certified plants will have been examined for root nematodes (ell-worm). This disease has recently been discovered to be wide-spread in this area and

while not necessarily new is another trouble to take notice of.

Workers at the plant pathology laboratory here at the station report finding nematodes in a considerable number of strawberry plantings. Severe infestations can reduce plants to the point of collapse by late season. Certified plants will help insure you against this disease. Controls and treatments will, we feel sure, be released by the pathologists in the near future.

Luscious HONEY BUN RING

Quick to make with the new Fast DRY Yeast

● Scald ¾ c. milk, ½ c. granulated sugar, 1½ tps. salt and ¼ c. shortening; cool to lukewarm. Meanwhile, measure into a large bowl ½ c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 mins. THEN stir well.
Add cooled milk mixture and stir in 1 well-beaten egg and 1 tsp. grated lemon rind. Stir in 2 c. once-sifted bread flour; beat until smooth. Work in 2 c. (about) once-sifted bread flour. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and set in warm place, free from draught. Let rise until doubled in bulk. Punch down dough and roll out into an oblong about 9" wide and 24" long; loosen dough. Combine ½ c. lightly-packed brown sugar and ½ c. liquid honey; spread over dough and sprinkle with ¾ c. broken walnuts. Beginning at a long side, loosely roll up like a jelly roll. Lift carefully into a greased 8½" tube pan and join ends of dough to form a ring. Brush top with melted butter. Cover and let rise until doubled in bulk. Bake in moderately hot oven, 375°, 45-50 minutes. Brush top with honey and sprinkle with chopped walnuts.

GRADE EIGHT STUDENTS AT MOUNT NEWTON GAIN AWARD

Mount Newton P.T.A. met in the school auditorium on Tuesday evening, March 9, G. M. Callaghan presiding. Grade 8 students won the prize for having the most parents present.

Plans were completed for the St. Patrick's card party to be held in the auditorium on Friday evening, March 19. Mrs. L. Steele is general convener.

Formal permission was received from the school board for the use of Mount Newton's auditorium.

The report was read on the concert given by the Meistersingers, total receipts being \$143.30. Expenses were only \$3. Half the net proceeds goes to the Meistersingers, the other half is divided equally among the four host P.T.A.'s for the occasion.

Blood donors are still requested for the clinic to be held at Sidney in April.

Donation

Receipt was gratefully acknowledged of two coffee pots from Mrs. Peard. This P.T.A. hopes to secure all its own kitchen equipment so that it will not be necessary to borrow from the home economics room of the school, for social occasions.

Announcement of radio and television educational programs for children were given. A. E. Voegel, principal, also had suggestions for reading help for children in the home.

It was announced that Mrs. G. Y. Kirkpatrick had made a very generous donation of \$100 to Mr. Miller of the school teaching staff, for the purpose of organizing a school band.

Tennis courts are to be made in readiness for play as soon as possible.

Saanich Fair

Mrs. Nimmo asked for the co-operation of parents in getting children's and students' exhibits ready in time for the Saanich Fair on Labor Day, as of late years this section has suffered a good deal of neglect, due to the fact that the fair always comes immediately before the school term starts.

G. L. Chatterton of the school board was guest speaker for the evening, his talk dealing with the building problem and forthcoming by-law. He had on hand a large pin-pointed map of the Saanich school district with which to illustrate his remarks.

Refreshments were served by the social committee.

NEW PATRONS FOR SOCIETY

The officers and members of the Sidney-North Saanich Musical Society are pleased to announce that the society is now honored by the gracious patronage of Major-General G. R. Pearkes, V.C., M.P., and Mrs. Pearkes; Magistrate F. J. Baker and Mrs. Baker; Mr. and Mrs. J. J. White; Mr. and Mrs. J. J. Woods; Mr. and Mrs. N. Pavelic and Mr. and Mrs. J. S. Rivers.

To have as patrons such widely respected residents of the district will add immeasurably to the prestige of a society which proudly takes its place among the cultural organizations of this community, having attained a record of seven years of achievement.

At the regular meeting last week, Mrs. N. Greenhill, president, congratulated the choir members on acquitted themselves so admirably at the recent performances in Victoria and Sidney, and thanked them for displaying such fine "troop spirit." Conductor Eric Edwards added a few words of praise, and remarked that the choir shows a good measure of progress. Encouraging letters from our patrons were read, including one from Gen. Pearkes who is at present in Ottawa.

Gratitude

A very nice letter of thanks was received from Rev. W. Buckingham, of St. Paul's United Church, expressing appreciation of the society's endeavor in behalf of the church building fund, which was handsomely augmented by the proceeds of the recent concert.

Miss Gail Smith was welcomed as a new member of the contralto section.—Grace Beswick.

GOLD COAST BAN ON COMMUTERS

The Prime Minister of the Gold Coast, Dr. Kwame Nkrumah, announced in his legislative assembly recently that the Gold Coast government would refuse to employ active communists in certain branches of the public service. He specified these branches as the administrative, including advisory posts in the ministries; education and community development; labor, information services, policy, army and the Gold Coast commissioner's offices overseas.

HIGHWAY EDUCATION

PROGRAM SOUGHT BY PARENTS

The regular monthly meeting of the Saanich Peninsula Parent-Teacher Council was held on Monday evening, March 8, in Mount Newton Auditorium, with President George Warnock in the chair.

Eleven of the 12 P.T.A.'s were represented by delegates and visiting members. Mount Newton P.T.A. announced a St. Patrick's card party for Friday, March 19, in the auditorium, at which "500" will be the feature game. Royal Oak senior-junior high will sponsor the Meistersingers on March 26.

Delegates were reminded that resolutions to be presented at the B.C. Federation's convention next month must be submitted as soon as possible. Also that each P.T.A. should send in an annual report on its work to the federation.

Four Delegates

Each P.T.A. in this district is entitled to four delegates at the convention. If only one delegate attends, he or she is entitled to four votes. This council is encouraging member P.T.A.'s to send at least one delegate to the annual convention, which will be held this year on April 21, 22 and 23 at South Burnaby, B.C.

It was approved that the president represent the council at the federation meeting.

Committee chairmen were asked to have their reports ready for the annual meeting, April 12.

The operation of the Film Council was explained by the Royal Oak delegate, with the thought that possibly some groups are unaware that this opportunity exists for P.T.A.'s. Machines can also be rented here, and operators trained in their use.

A brief report by the committee investigating crime comics was given and it is noted that widespread work is being done in this field.

The Meistersingers' concert at Mount Newton was reviewed, returns are not quite complete, but an evening of music was enjoyed by about 300 persons.

When a car is travelling at speed on a rough road there is rarely a time when all wheels are on the ground.

educational program could be taken under supervision by the police. The Sidney detachment area of the R.C. M.P. has a very good system, and municipal police are to be asked to institute similar programs.

Speaker for the evening was to have been Col. Charles Walls, secretary of the B.C. Federation of Agriculture, but due to illness he was unable to attend. He has agreed to come on Monday, May 10, and will address P.T.A. members of this district in the auditorium.

The meeting was adjourned, and refreshments served.

EDUCATION WEEK ATTRACTS LARGE GROUP AT BRENTWOOD

A record 140 persons turned out at Brentwood school last Tuesday, March 9, for Visitors' Day. This was about 15 more than last year, the previous high.

The walls of the centre hall were completely covered with work done by the pupils in reading, spelling, writing, language, composition, and arithmetic, as well as art work.

In Division 4, Grades 1 and 2, the parents saw samples of writing, number work, art work, and social studies booklets and murals on "winter". There was also a display of visual aids and magazines, and the teacher gave a demonstration lesson on the use of the flannel-board.

As well as the usual before-mentioned samples of work, Division 3, Grades 2 and 3, also had on display their "Health Train". They sang two songs, accompanied by their teacher, "The Postman", and "Awaken", and concluded by getting all their parents present to join with them in a singing game, "How Many Miles to Nanaimo?"

Division 2, Grades 4 and 5, had on display as well as their regular work, their school studies booklet on "Estimios", St. Patrick's Day art posters and a display of ceramics.

Filmstrips

At intervals during the afternoon, Division 1, Grade 5 and 6, showed several filmstrips taken from the school's filmstrips for the week, in order to give the parents an idea of visual education in a modern school. The strips shown were as follows: language: use of colon, semi-colon and dash; primary reading: The Happy Man and His Dump Truck; Drakestail; history: Cortez conquers Mexico; social studies: fire boat; health: posture, good or bad; character education: thoughtfulness.

Between film showings on display in Division 1 were catalogues and sources of visual education films; a list of filmstrips shown and to be shown in Brentwood school in 1953-54; a display of social studies booklets on Europe; another group on India and Pakistan; letters from a mixed school in Birmingham, England, the pupils of which correspond with the pupils of Division 1 every few weeks, and an art work display done by the pupils from the B.C. department of education's radio art series called "Pictures In The Air."

Acting as guides throughout the

Island Anglican Ladies Learn Of Japanese Mission

The regular monthly meeting of the Salt Spring Island Woman's Auxiliary was held on Friday afternoon in the parish room with the president, Mrs. C. W. Leggett, in the chair and Archdeacon G. H. Holmes taking the devotional period. The sum of \$6 was sent to the diocesan board, towards parcels for British clergymen.

It was decided to practice self-denial during Lent.

Mrs. G. H. Holmes spoke on the matter of surpluses for the girls' choir at St. George's and arrangements were made for the forthcoming "wayside sale" to take place outside the church on Tuesday, March 27.

A good report of the diocesan conference was given by Mrs. Leggett and Mrs. Holmes, followed by an address by the Archdeacon on the work among the Indians of Saskatchewan and also of the work in Japan carried on by Rev. McSherry. After adjournment, tea was served by Mrs. Edward Adams and Mrs. Stuart Bannister.

POLICE FILMS FEATURED FOR FULFORD P.T.A.

Regular monthly meeting of the Fulford P.T.A. was held on March 12, in the Fulford Community Hall. President Mrs. F. L. Jackson was in the chair and there were 29 members present.

R. J. Hepburn resigned as secretary-treasurer, and Mrs. R. J. Hepburn is filling that office pro-tem.

The president extended a welcome to Mrs. R. D. Sjostrom, a former member, who has returned to live in the district.

A letter was read which had been received from D. Dane, president of the Fulford Hall Committee, thanking this organization for the help received to purchase a movie picture screen for use in the Fulford Hall.

Plans for the annual garden contest were made.

Final arrangements were made for a square and old-time dance to be held on Saturday, May 1, in the Fulford Hall.

It was decided the project for the school this year would be some new books that would provide supplementary reading for Mrs. A. Hepburn's class.

It was announced that the Fulford bus shelter had been completed at a cost of \$3 per family. It was requested that this amount be sent to D. Dane.

Guest speaker for the evening was Constable Gordon Graham, who showed two excellent R.C.M.P. films, "Dogs Go to School" and "Scarlet and Gold".

Refreshments were served by Mrs. Fred Hollings and Mrs. Douglas Dane.

Plan Card Party

The monthly meeting of the Catholic Women's League was held recently in St. Edward's Church hall, Ganges, with the president, Mrs. A. E. Marcotte, in the chair and 18 members present.

The treasurer's report showed a balance on hand of \$66.30.

Arrangements were made for the military "500" card party, and it was announced that a "Stanley" Products party, to which everyone is welcome, will be held on the evening of Mar. 23 in St. Edward's Church hall.

The sale of home cooking, candy, bulbs and plants, to take place at Mount Bros. store on Saturday, April 10, will be convener by Mrs. George St. Denis, assisted by Mrs. E. Parette, Mrs. A. Marcotte and Mrs. E. Brenton, also members of the C.W.O.

Tea hostesses were Mrs. A. Marcotte and Mrs. A. E. Marcotte.

MRS. J. J. WHITE IS NAMED AGAIN HEAD OF PIONEER SOCIETY

Mrs. J. J. White, native of Sidney, was re-elected president of the Saanich Pioneer Society at the annual meeting of the organization in the Log Cabin at Saanichton on Monday evening of this week.

Other officers were elected as follows: first vice-president, G. Elmor John; second vice-president, Mrs. Thos. Lidgate; honorary secretary-treasurer, R. E. Nimmo; honorary auditor, A. Calvert, J.P.

It was decided to change the fiscal year, which formerly terminated at the 31st of December, to the end of February. The annual general meeting will continue, as at present, on the third Monday in March. The annual banquet will be held June 12.

The meeting unanimously adopted a resolution to confer honorary life memberships to its senior members upon their reaching the age of 80 years.

The following were reported eligible to receive the honor: Mrs. J. Wesley Brethour, Mrs. Henry Brethour, Mrs. Hallie Harding, Geo. Michell, Wilfred Butler, Robt. Sluggitt, Fred Sluggitt, Alex. Lachour, John Thomson, Wm. Wain and J. J. White. They will be asked to attend an afternoon tea in the Log Cabin sometime in April to receive their honors. COMMUNITY CLUB COMMENTS

This Friday, Mar. 4, the senior club members will stage their social evening. We would like to see a larger attendance. There will be a show at 8 p.m., "The World Series." A social for the 13's and under will be held on Saturday, Mar. 27, at 7.30. Another boxing night is planned by the club. The date has not yet been settled.

The club hall was redecorated on Saturday night by a group of members.

Junior members thoroughly enjoyed a social evening on Saturday, when Eileen Bowker and Noel Coward were in charge of the games. A larger attendance from the girls had been expected.

Sports

On Sunday afternoon at Windsor Park the soccer team challenged the A.N.A.F. Veterans. Though losing 2-0 the club team played an excellent game. Especially notable were George Holt, Harold Jacobsen and Bobby Gilbert.

In a week or two the club will be represented in a boxing tournament at Courtenay.

We've Got the New PITTSBURGH

MATCHED COLORS for Walls

and Woodwork!

Wallhide Rubberized SATIN FINISH

This outstanding product is for all interior surfaces. It glides on with amazing ease, by brush or roller-coater, and dries in 15-20 minutes, producing a smooth velvet-like finish without lap or brush marks. Wallhide Rubberized Satin Finish has no objectionable odor and rooms painted can be back in use in about one hour. The finish is tough and durable and will withstand repeated scrubbing.

Quart..... \$2.30

Gallon..... \$7.55

SATINHIDE ENAMEL

This new product has been developed as a companion to Wallhide Rubberized Satin Finish and is available in the same 10 colors and white. Because of its pleasing sheen it is well suited for wood or metal trim and ideal for kitchen and bathroom walls. Satinhide Enamel requires no special primer or under-coater and one coat is usually sufficient for repaint work.

Quart..... \$2.75
